

Date:

**October 4th,
2017**

On Wednesday, October 4th, 2017, Butterfield Color® will host a training seminar on decorative concrete products. During the seminar, products and processes being demonstrated will include **coloring** and **stamping** concrete using **Select Grade® Integral Color** and **Perma-Cast® Color Hardener** with **Select Grade® Antiquing Release**, pouring a decorative fire pit using **Country Ledge** form liners, and coloring existing concrete with **Elements®** water-based and **Sierra Stain™** chemical-based concrete stains. **T1000® Fine** and **T1000® Stampable** concrete overlays will also be discussed. Contractors are encouraged to wear work clothing and get hands-on experience with the materials. Representatives from **Butterfield Color®** will be on-site to offer assistance and answer questions. Lunch will be provided for all attendees.
